From the Private Secretary

19 July 1979

Thank you for your letter of 16 July about the possibility of Dr. Hammer coming to see the Prime Minister.

The Prime Minister would very much appreciate a short meeting with Dr. Hammer but I think she would prefer it if it was kept totally private. May I please offer you 3 p.m. on Monday, 3 September, as a possible time? Perhaps you could let me know at your convenience whether this would suit.

CAROLINE STEPHENS

M.J. de R. Richardson, Esq.

PRIME MINISTER

I have received the attached letter from Michael Richardson about Dr. Hammer (I have put his book in the flat).

Would you like to see him when he is over in September? I know he has helped the Party so you may wish to see him in any event but I should point out that (a) he is only Chairman of the 11th largest oil company in the world; (b) his firm has been subject to various investigations* and (c) if he wishes to discuss US/Soviet relations you will have to have a Private Secretary present.
